The Educator of the year program, now in its 25th year, was founded by the Kiwanis Club of Las Vegas in 1992 to recognize outstanding "Unsung Education Heroes" at the High School level in the Clark County School District (CCSD).

The program was the brainchild of Kiwanian Ned L. Jacobs, who had been Director of Kaplan Education Corporation in San Diego before becoming Executive Director of the Lied Children's Discovery Museum in Las Vegas. The Educator of the Year Awards lunch will be at the Stratosphere Tower.

The IRA Charitable Rollover is now permanent, allowing individuals aged 70 ½ or older to make a tax-free distribution from individual retirement accounts to the **Kiwanis Club of Las Vegas Foundation**, reducing their tax liability!

The Protecting Americans from Tax Hikes Act of 2015 has been signed into law. Among the many tax benefits made permanent was the IRA charitable transfer provision.

This provision allows individuals age 70½ or older to give up to \$100,000 from their IRAs directly to qualified charities - such as the **Kiwanis Club of Las Vegas Foundation** - without having to pay income taxes on the distributions and the donations count as part of the IRA owner's required annual withdrawal.

There's no tax deduction for the donated assets; however, they are not included as income, either. To qualify for this break, the donation must be transferred directly from the IRA custodian to the Foundation and gifts for 2016 must be made by the year-end.

Contact your financial advisor to find out how you may benefit from this new law.
