**MARYLAND PARKWAY CORRIDOR**  
TRANSIT-ORIENTED DEVELOPMENT (TOD) PLAN

## **Kiwanis Club of Las Vegas Invited to share your thoughts!**

The RTC will soon be constructing a bus rapid transit system that will move people more efficiently along Maryland Parkway between the Medical District, Downtown Las Vegas, Sunrise Hospital, Boulevard Mall, UNLV, and McCarran International Airport.

Clark County and the City of Las Vegas are now creating a Transit-Oriented Development (TOD) Plan to complement this Corridor, with the goal of creating walkable, vibrant environments that are hubs of activity for residents, employees, and visitors. This project will: lead to zoning code changes to allow or permit new uses and increased density; and identify new public investments in community amenities, multimodal connectivity, and physical infrastructure.

The project team is seeking feedback from people who live, work, or play near the Maryland Parkway Corridor. Help us understand what the community values and what improvements are needed by taking short surveys about any or all seven different focus areas along this Corridor that you may be interested in.

## **A message from Governor, Gary Gray:**

*"Hi all - I cannot express the importance of this issue. Without Kiwanis Advisors Our Key Clubs are cut off from Kiwanis. This is not complicated or hard. Apply, pay and you are done. As easy as that. Remember, this is not about questioning our individual integrity, it goes strictly to the issue of organizational reputation. We must be able to say we are 100% in compliance and that we have 0% tolerance for non-compliance. I want to see this list of Advisors cleaned up as soon as possible. The ball right now is in the hands of the Regional and District Advisors. If you are getting push back from any of our Kiwanians I want to know about it for follow up. Let's make this happen, and thanks for your efforts.  
Gary Gray  
Cal-Nev-Ha District Governor 2020-21"*

## **Service Leadership Program Advisor Background Checks**

Dear Kiwanians,

While the Kiwanis International requirement for background checks for those working with youth and our Service Leadership Programs (SLP) has not changed, the impact on non-compliant individuals and clubs has changed.

In an effort to seek compliance with KI's Youth Protection Guidelines, Kiwanis International has taken the step of notifying schools when an advisor's background check has expired, thereby disallowing the advisor's campus privileges. (See KI letters from earlier this year: [\*\*strengthened Youth Protection policies letter\*\*](#) and [\*\*sample non-approved advisor letter\*\*](#).)

Additionally, if the SLP club is showing no advisors with approved background checks, Kiwanis International is removing the sponsoring club from the SLP roster.

It is of utmost importance to have background checks completed and paid, or update your records with advisors who have current background checks. [Click here for a current list of those advisors who require updated background checks.](#) Advisors need to log into the [member portal](#) (Kiwanis Connect) and initiate the background check process under "background check." Or contact the club secretary for a member-specific email link sent from the secretary dashboard. Contact Kiwanis International at [backgroundchecks@kiwanis.org](mailto:backgroundchecks@kiwanis.org) for a member-specific email link.

## **KIWANIS ANNOUNCES SAFE MEETING GUIDELINES, INSURANCE CHANGE**

Some Kiwanis clubs have resumed in-person meetings and events. For those clubs, and clubs considering that option, Kiwanis International has compiled [guidelines](#) to help them serve safely with adequate health protocols.

Club, division and district leaders should also have attendees complete an [event health checklist](#) and a [release of liability and assumption of risk waiver](#). Starting November 1, 2020, the Kiwanis Insurance policy will no longer cover claims related to someone claiming that they became infected with COVID-19 at a Kiwanis meeting or event.

# SAVE THE DATE June 23-26 2021 KIWANIS INTERNATIONAL CONVENTION

More details: attend the 2021 Kiwanis convention online or in person. We hope to gather in Salt Lake City, Utah, on June 23-26, 2021. If attending in person isn't possible, a virtual registration option for the 2021 Kiwanis International Convention will be available.

That option will allow members to attend online sessions of the Kiwanis Education Conference on Thursday, June 24, and Friday, June 25. To vote, however, delegates must attend the House of Delegates in person on Saturday, June 26. Prices for the registration options are still being considered.

If the board declares in April that emergency conditions continue, the board has the authority, per Kiwanis International bylaws, to reduce the size of a quorum needed to conduct business or cancel the House of Delegates. If the House of Delegates is canceled, a meeting of the Kiwanis International Council would be called to conduct the business of the organization (as happened in July 2020).

To guide our decisions, we are paying close attention to the coronavirus outbreak. We closely monitor the CDC and WHO

updates on COVID-19; as of now, we are proceeding as if events will take place as scheduled. Changes to events or meetings will be made based on future developments. In the event that we would cancel the 2021 Kiwanis International Convention, all convention registration fees will be refunded for all attendees.

## ***Stroke has a new indicator***

They say if you email this to ten people, you stand a chance of saving one life. Blood Clots/Stroke – They Now Have a Fourth Indicator, the Tongue

**STROKE:** Remember the 1st Three Letters.... **S. T. R.**

During a BBQ, a woman stumbled and took a little fall - she assured everyone that she was fine (they offered to call paramedics) ...she said she had just tripped over a brick because of her new shoes.

They got her cleaned up and got her a new plate of food. While she appeared a bit shaken up, Jane went about enjoying herself the rest of the evening. Jane's husband called later telling everyone that his wife had been taken to the hospital - (at 6:00 PM Jane passed away) She had suffered a stroke at the BBQ. Had they known how to identify the signs of a stroke, perhaps Jane would be with us today. Some don't die. They end up in a helpless, hopeless condition instead.

### **STROKE IDENTIFICATION:**

A neurologist says that if he can get to a stroke victim within 3 hours, he can totally reverse the effects of a stroke...totally. He said the trick was getting a stroke recognized, diagnosed, and then getting the patient medically cared for within 3 hours, which is tough.

## **RECOGNIZING A STROKE**

Remember the '3' steps, STR.

Sometimes symptoms of a stroke are difficult to identify. Unfortunately, the lack of awareness spells disaster. The stroke victim may suffer severe brain damage when people nearby fail to recognize the symptoms of a stroke.

Now doctors say a bystander can recognize a stroke by asking three simple questions:

**S** \*Ask the individual to SMILE.

**T** \*Ask the person to TALK and SPEAK A SIMPLE SENTENCE (Coherently)

**(i.e. Chicken Soup)**

**R**\*Ask him or her to RAISE BOTH ARMS.

If he or she has trouble with ANY ONE of these tasks, call emergency number immediately and describe the symptoms to the dispatcher.

**New Sign of a Stroke -----**

**Stick out Your Tongue!**

NOTE: Another 'sign' of a stroke is this: Ask the person to 'stick' out his tongue. If the tongue is 'crooked', if it goes to one side or the other that is also an indication of a stroke.

A cardiologist says if everyone who gets this e-mail sends it to 10 people; you can bet that at least one life will be saved.
